Key Provisions of HR 3200 Myths vs. Facts Fact Sheets
Health Reform and Oregon's Third District Telephone Town Halls

How will *America's Affordable Health Choices Act of 2009* Benefit Oregonians living in the Third Congressional District?

21,500 Number of small businesses that could receive tax credits to provide coverage to their employees

11,100 Number of seniors would avoid the "donut hole" in Medicare Part D

990 Number of families that could escape bankruptcy each year due to unaffordable health care costs

$60 million Amount health care providers would receive payment in uncompensated care each year

110,000 Number of uninsured individuals that would gain access to high-quality, low-cost health insurance because of HR 3200
