

**OFFICE OF CONGRESSMAN EARL BLUMENAUER
SURFACE TRANSPORTATION AUTHORIZATION
HIGH PRIORITY PROJECT REQUEST FORM**

DEADLINE FOR SUBMISSION: FRIDAY, APRIL 24, 2009

This form must be filled out in its entirety. It must be accompanied by at least one letter of support from a state, regional, or local governmental official specifically supporting the project request. This letter should discuss the merits of the project; specify the process to provide the public with an opportunity to comment on the project; and identify the other sources of Federal, state, or private funding that will be used to complete this project or project phase. This letter must contain an explicit statement of support for the project. In addition, if you are requesting less than 80 percent of the total estimated cost of the specific segment or activity, the letter must identify other specifically designated Federal, state, local, or private funding sources that, combined with this request, equal at least 80 percent of the total estimated cost. Please use **boldface font** to highlight these statements in the letter.

The deadline to submit this form and the support letter is Friday, April 24, 2009. No exceptions. For more information, contact David Skillman at dskillman@se.gov or by calling 503-326-7000. You may also contact David Skillman via email at dskillman@se.gov. If you have any questions or concerns, please contact David Skillman at dskillman@se.gov.

(A project of regional and/or national significance is typically a high-cost transportation infrastructure facility that often includes multiple levels of government, agencies, modes of transportation, and transportation goals and planning processes that are not easily addressed or funded within existing surface transportation program categories. These projects have national and/or regional benefits, including improving economic productivity by facilitating international trade, relieving congestion, and improving transportation safety by facilitating passenger and freight movement.)

Does the project have regional or national significance? Yes

If Yes, Please describe the regional or national significance of the project. Please limit your response to 3-4 sentences (up to 500 characters):

The project is important to encouraging development of the Gateway Regional Center which is identified as a target for future growth in regional land use plan. The area is at the intersection of major regional freeway and transit facilities.

19. Describe the safety, economic development, mobility, and environmental benefits associated with completion of the project.

Safety Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

The project will improve the condition of sidewalks and provide ADA compliant curb ramps. The project will include signal improvements at a major intersection which will improve safety for pedestrians and motorists. The project will add bikelanes to the roadway, linking to bikeway facilities both north and south of the project limits

Economic Development Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

The project will provide an improved business climate by providing wider enhanced sidewalks separating pedestrians from busy traffic and buffering the impact of the traffic and utility poles. It will provide an improved business climate in an area that is zoned for additional growth and is well served by regional freeways and transit

Mobility Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

The project will provide increased mobility for bicycles by providing bicycle lanes and will improve traffic mobility with signal improvements.

Environmental Benefits: (Please limit your response to 2-3 sentences; (500 characters).)
