

**OFFICE OF CONGRESSMAN EARL BLUMENAUER
SURFACE TRANSPORTATION AUTHORIZATION
HIGH PRIORITY PROJECT REQUEST FORM**

DEADLINE FOR SUBMISSION: FRIDAY, APRIL 24, 2009

This form must be filled out in its entirety. It must be accompanied by at least one letter of support from a state, regional, or local governmental official specifically supporting the project request. This letter should discuss the merits of the project; specify the process to provide the public with an opportunity to comment on the project; and identify the other sources of Federal, state, or private funding that will be used to complete this project or project phase. This letter must contain an explicit statement of support for the project. In addition, if you are requesting less than 80 percent of the total estimated cost of the specific segment or activity, the letter must identify other specifically designated Federal, state, local, or private funding sources that, combined with this request, equal at least 80 percent of the total estimated cost. Please use boldface font to highlight these statements in the letter.

The deadline to submit this form and the support letter is Friday, April 24, 2009. No exceptions. Please submit this form along with any supplementary materials to David Skillman via email at skillman@bl.house.gov. If you have any questions or concerns, please contact David Skillman at [503-326-4111](tel:503-326-4111).

Form instructions: This form contains drop-down menus to answer some questions. To access the drop-down menu, run your cursor over "Select One" or "Select One if Applicable" and click your mouse. A drop-down menu will appear and you can select the appropriate answer. Additionally, written answers should be typed in the gray boxes provided.

1. Project Title:

Tickle Creek Trail (Sandy to Springwater Connection)

2. Organization (project sponsor) Name and Address: (if state or local entity, please identify specific department requesting funding)

City of Sandy, 39250 Pioneer Blvd. Sandy OR 97055

3. Primary contact name, phone number, mobile phone number, fax number, and e-mail:

Scott Lazenby, city manager,

4. Project location address (if different from organization):

Southwest of Sandy

5. What is the purpose of the project? Why is it a valuable use of taxpayer funds? How will the project support efforts to improve the economy and create jobs in Oregon?

Multi-use (bicycle/pedestrian) trail to connect Sandy's existing Tickle Creek Trail to the Cazadero extension of the Springwater Trail (approx. 5.5 miles). Will provide future connections to Mt. Hood and Bull Run (Dodge Park). This connection is a top priority of the regional trail system as recently identified by the Blue Ribbon trails committee. It will support our tourism economy and trail construction will create badly-needed construction jobs.

6. Are you requesting Federal funds for more than one project in this bill? Yes

If Yes, this project is priority 1 of 2 total requests for your organization.
(For example, priority 1 of 3 requests or priority 3 of 3 requests.)

7. Are you requesting funds from other Members of Congress? Yes
If Yes, which Members? Senators Wyden and Merkley.

8. Please select which type of eligible project under Title 23 (Highways) or Chapter 53 of Title 49 (Public Transit) of the U.S. Code for which you are requesting funding. (Note: The Committee will not accept requests for non-surface transportation projects, such as transportation museums, horse trails, or historic battlefields, as part of the High Priority Projects program.)

Highway Project (Title 23)

Type: Bicycle/Pedestrian Project

Located on a Federal-aid highway? No

Located on the National Highway System? No

Located on the Interstate System? No

Public Transit Project (Chapter 53 of Title 49)

Indicate Type with an 'X':

Passenger Vehicles

Transit Bus or Van

Transit Rail Car or Locomotive, including Streetcars

Transit Ferry

Transit Facilities

Vehicle Maintenance or Administration Facility

Passenger Facility, including Intermodal Facilities, stations, and terminals

Transit Rights-of-Way

Property Acquisition

Corridor Development

Rail Track Construction or Maintenance

Bus-only Lane Construction or Maintenance

Transit Equipment

Vehicle-related Equipment System-related Equipment

New Start Project (A New Start project is a major *new* fixed guideway capital project seeking more than \$75 million in Federal funds.)

Small Start Project (A Small Start project is a *new* fixed guideway capital project seeking less than \$75 million in Federal funds and with a total estimated net capital cost of less than \$250 million.)

Rail

Intercity Passenger Rail (Not commuter rail. Commuter rail should be requested under public transit)

Is the project located within a corridor previously designated by the Secretary of Transportation pursuant to section 104(d)(2) of Title 23, United States Code, or the Northeast Corridor? Select One

If Yes, which Corridor: Select One

Freight Rail
Select Rail Class

Research

University Transportation Center
 Other

9. Did the Federal Highway Administration, Federal Transit Administration, State Department of Transportation, or public transit agency confirm that the project is eligible under Title 23 (Highways) or Chapter 53 of Title 49 (Public Transit) of the United States Code? No

If Yes, which entity confirmed the project eligibility?

FHWA, FTA, State DOT, or Public Transit Agency:

Contact information (Name, Position, Phone):

According to the entity, is the project eligible under Title 23, Title 49, or both:
Select One

10. Please identify the state, regional, or local governmental entity that is an eligible recipient of the funds. Please include an address. (For example, a State Department of Transportation, public transit agency, Metropolitan Planning Organization, local government, or Federally-recognized tribe.) Note: If a project is a multi-state project, please identify the state, regional, or local governmental entity which will serve as the lead agency for the project.

City of Sandy, 39250 Pioneer Blvd., Sandy OR 97055. Lead agency could be Clackamas County.

11. Please identify and describe the specific segment or activity for which project funding is requested. (The request must finance at least 80 percent of the total estimated cost of the specific segment or activity by either (1) the amount requested; or (2) the amount requested in addition to other specifically designated Federal, state, local, or private funding sources.)

Project Description: (Include the specific terminus points of the project or activity, as appropriate.)

Design, right-of-way acquisition, and construction of a 5.5 mile multi-use trail connection between Sandy's Tickle Creek Trail and the Springwater (Cazedero) Trail.

Project Activities: (May select more than one.)

What is the total estimated cost?

\$4,700,000

What amount is being requested? \$4,700,000

What percentage of the total estimated cost is the request for Federal funding? 100%

If the percentage is less than 80% identify other specifically designated Federal, state, local, or private funding that when combined with this request equal at least 80 percent.

Source:

Amount of Funding:

12. If you are requesting funding for a specific segment or activity, please describe the overall project of which this segment/activity is a part.

Project Description: (Please limit your response to 3-4 sentences; up to 500 characters.)

This project is a key segment in a connected trail system from Portland to Mt. Hood.

Total Project Estimated cost: Unknown; many segments already in place.

13. Is the project included in the State's Long-Range Transportation Plan? No

If Yes, please provide the date of approval of the most recent version of the plan and the title of the plan.

Date of approval (MM/YYYY):

Title of the plan:

14. Is the project included in the Metropolitan Transportation Improvement Program (TIP) and/or the State Transportation Improvement Program (STIP)? No

If Yes, please provide the date of approval of the most recent version of the program(s), and the title of the program(s).

Listed in TIP: Select One

Date of approval (MM/YYYY):

Title of the Program:

Listed in STIP: Select One

Date of approval (MM/YYYY):

Title of the Program:

15. If the project is an intercity passenger rail project is it included in the State Rail Plan?

Select One

If Yes, please provide the date on which the Governor approved the most recent version of the plan and the title of the plan.

Date of approval (MM/YYYY):

Title of the plan:

16. Please describe the current status of the project and the expected schedule for its completion.

Federal-aid Highway projects:

Select One if Applicable

Public Transit projects:

Select One if Applicable

Rail projects:

Select One if Applicable

Research:

Select One if Applicable

17. What is the expected date of completion of the project for which you are requesting funding (Between FY2010-FY2020)? 2011

18. Does the project have regional or national significance? (A project of regional and/or national significance is typically a high-cost transportation infrastructure facility that often includes multiple levels of government, agencies, modes of transportation, and transportation goals and planning processes that are not easily addressed or funded within existing surface transportation program categories. These projects have national and/or regional benefits, including improving economic productivity by facilitating international trade, relieving congestion, and improving transportation safety by facilitating passenger and freight movement.)

Does the project have regional or national significance? Yes

If Yes, Please describe the regional or national significance of the project. Please limit your response to 3-4 sentences (up to 500 characters):

While the project is located within unincorporated Clackamas County, it will benefit residents of four counties and two states, as well as visitors to the region.

19. Describe the safety, economic development, mobility, and environmental benefits associated with completion of the project.

Safety Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

Provides an alternative to use of the Highway 26 bike lane, which has high traffic speeds and is not suitable for use by children.

Economic Development Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

Supports tourism and visitor economy

Mobility Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

Provides an alternative to automobiles for connection between the metro and Sandy urban growth boundaries.

Environmental Benefits: (Please limit your response to 2-3 sentences; (500 characters).)

Increases public appreciation for the Tickle Creek riparian area; reduces automobile use.

20. Has the project previously received any Federal funding? No

22. Please provide the proposed legislative text (in no more than 250 characters) of the project as you would like it to appear in the bill. Please use action verbs to begin the description (for example, "construct," "plan," "design," "engineer," "research," or "rehabilitate"). Please note that project line items carry the force of law, and can only be amended through subsequent public laws. If Congressional intent (as established through answers listed on this form) is different from the legislative text, the entity administering the project is required to adhere to the statutory language.

Design, engineer, acquire right-of-way, and construct a multi-use trail connection between the City of Sandy's Tickle Creek Trail and the Springwater Trail.

23. Are you enclosing the letter referenced at the top of this form with the required formatting? Yes

24. Notes or anything else we should know about the project request:

Please return this form and at least one local or state letter of support no later than Friday, April 24, 2009 (via email) to:

mail.house.gov
