Mr. Speaker, the most important act that we can do to promote livable communities on behalf of the Federal Government is simply to lead by example. There are 65 million Americans who cycle. A simple four-mile round trip on a bicycle saves 15 pounds of air pollution.

Members of this assembly have the opportunity to help lead by example by joining the Bicycle Caucus Tuesday morning with Secretary of Transportation Rodney Slater and the Washington Area Bicycle Association for a ribbon cutting for the new metropolitan branch trail.

If you do not have a bike, Member of Congress, let us know and we will loan you one for the event. You will have fun. Join the bicycle caucus, do right for America.

As we hear the battling here on the floor, this is an activity that is `bike' partisan. I think it will be good for us all to get on two wheels and inaugurate that trail.
