

Blumenauer Office to Serve as Model Office for Greening Initiatives

Washington, DC – Today, Rep. Earl Blumenauer (D-Ore.) will join House Speaker Nancy Pelosi and Members of Congress in introducing the next steps in the Green the Capitol Initiative. The Green the Capitol Initiative was established in 2007 to provide an environmentally responsible workplace for employees by reducing the Capitol's carbon footprint and making operations more energy efficient. Rep. Blumenauer has played a direct role in assisting with the start-up and implementation of this program. His office will serve as a model office for greening initiatives.
