

Remember the Wounded Ride

Tuesday, 01 November 2011 15:27

Last week, Congressman Blumenauer met with Scot King who rode his bike from Salem to Washington DC over the past several months hitting 32 of the state capitals and our nation's capital to raise awareness for wounded soldiers. His project is featured on www.rememberthewoundedride.com

Next year, he's flying to DC and riding back to Portland to visit the remaining capitals. Scot is from Portland and went to school at David Douglass High School.
