House of Representatives

April 22, 2021

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Bull Run Bridge Replacement project in surface transportation reauthorization legislation.

The project sponsor for this project is Clackamas County and the project is located at Bull Run Road, Clackamas County, OR 97055.

The funding is designated for constructing a new bridge adjacent to the existing, 127 year old structurally deficient Bull Run Bridge, using the same approach roads, and removing the existing bridge upon completion of the new bridge.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improved critical transportation infrastructure in the greater Portland metropolitan region and a bridge replacement before failure becomes more of a problem for public health and safety in this portion of Clackamas County, as well as the entire Portland region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Earl Blumenauer".
