Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Rose Lane/High Crash Corridor – Smart Tech and Safety Improvements – 122nd project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Portland and the project is located at NE/SE 122nd Avenue from NE Marine Drive to SE Foster Road, Portland, OR 97220, 97230, 97216, 97233, 97266, 97236.

The funding is designated for providing technology, lighting, and bus stop improvements on 122nd.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: enhanced safety, more efficient and reliable transit, support for the economy, connecting people to jobs and reducing racial disparities in safety and reliability.
